Re: Armour Swift-Eckrich Browning Technology  
Our Docket No.: M02 41285

Dear Mr. Howard:

My firm represents Armour Swift-Eckrich in connection with certain intellectual property matters. We have been asked to respond to your May 29, 1998 letter to Dr. Prem Singh.

The test you conducted during Dr. Singh's visit was based on Armour Swift-Eckrich's trade secret information relating to its proprietary technology for browning whole muscle meat products. This trade secret information was disclosed to you in confidence. Consequently, Armour Swift-Eckrich expects that you will maintain its trade-secret information secret and that you will not use its confidential information as part of your own work. Armour Swift-Eckrich is prepared to protect all its rights in this trade secret information to the full extent provided by law.

Very truly yours,

PRETTY, SCHROEDER & POPLAWSKI
